

### Advance Projections Released for 2015 Tax Numbers

Each year the IRS is required to make inflation adjustments to hundreds of tax numbers in the tax law. Advance projections of what some of the 2015 numbers will be have recently been published.

- The top tax rate of 39.6% is projected to start at income exceeding \$413,200 for single taxpayers and \$464,850 for married taxpayers.
- The projected standard deduction is \$6,300 for singles and \$12,600 for married couples filing jointly.
- The alternative minimum tax exemption for singles will increase to \$53,600 and it will increase to \$83,400 for married couples filing jointly.
- The personal exemption amount for 2015 is projected to increase to \$4,000.
