

SENIOR TAX ACCOUNTANT - CPA –*Full-time or Part-time / Flexible*

Dynamically growing CPA firm centrally located southwest of downtown Austin and recognized as one of the top CPA firms in Austin has a career opportunity. For the self-motivated accounting professional, we offer the flexibility to work remotely some days, as well as to collaborate at staff team meetings at the office every week.

The firm is a leader in servicing the complex accounting needs in the Austin community, as well as for rapidly growing global corporations in industries that include technology, oil and gas, real estate, construction, aviation, manufacturing, website distribution, and licensed professional services. The executive team members average over twenty years of experience in designing customized solutions to address progressively complex tax and accounting challenges.

Requirements:

- CPA LICENSE – only applicants with a current CPA license will be considered
- Four to ten years preparation of complex corporate and individual income tax returns required.
- Experience in tax projections and planning is preferred.
- ProSystemsFX and Engagement experience is a plus.
- Proficiency in QuickBooks, general ledger cleanup, reconciliations, financial reports, and an ability to set up new client accounting systems is preferred.
- Excellent written communication and organizational skills are required.

Qualified candidate is enthusiastic and self-motivated to serve clients, is a team player, and likes complexity and challenges.
